

Compliance AWARENESS

St. Luke's Cornwall Hospital is Dedicated to Promoting a Culture of Compliance

What Can You Do to Help?

Commit to “doing the right thing”
Obey regulations and policies that apply to your job
Make compliance awareness part of your job
Put your code of conduct in an accessible spot
Lead by example
If in doubt, check it out
Attend training sessions
Notify your supervisor or Compliance Officer of any suspected violations
Communicate openly and honestly
Ethics is part of all activities

To report suspected violations directly to the Compliance Department,
please call the Compliance Officer at ext. 2856 (internally) or 568-2856 (externally).

or

Call the **Compliance Helpline** at ext. 3505 (internally) or 784-3505 (externally).

Anonymous reporting is always welcome by calling ext. 2010 and then ext. 3505.
